NOTES FOR EXHIBITORS FROM BLAIR CASTLE INTERNATIONAL HORSE TRIALS

All competitors are assumed to have read these notes. Any questions arising out of the Show will be determined by reference to these notes.

EQUINE INFLUENZA VACCINATIONS

Following consultation with our veterinary advisors and equestrian governing bodies, Blair Castle Horse Trials has made the decision that **all horses and ponies entering the venue must be vaccinated against equine influenza** according to standard British Horseracing Association guideline, with the last vaccination having been administered no more than 365 days prior to entry to the venue.

- All animals must have completed the primary course of two vaccinations. The last vaccination must

have been administered at least 7 days before entering the venue.

- Horses competing under FEI rules or British Eventing rules must abide by the vaccination rules of that Governing Body.
- Foals under six months of age will be exempt from the vaccination requirement.

Random passport checks will be implemented to verify vaccination status. Any animal identified without a valid vaccination protocol or if the owner/rider is unable to produce a valid passport will result in immediate ejection of that animal from the venue. No refunds will be issued in respect of entries or stabling.

For further information please visit www.blairhorsetrials.co.uk/equine-flu

COLLECTING RING/WARM UP ARENA

This includes pedestrians, whether they be competitors or general public. No dogs or pushchairs to be allowed into this area.

GENERAL

3. **STABLING:** A limited number of stables are available for competitors. Stables will be available from Thursday 22nd August 2024. Stabling will be allocated on a first-come, first-served basis. Stable bookings to be made at time of entry.
