A. RULES FOR SHOWING

All NPS competitions must be run under the NPS Rules defined in this Rules Book.

Microchipping of all horses is a legal requirement in England from October 2020 and Scotland and Wales from 2021 are therefore a compulsory requirement for all horses/ponies (excluding foals at foot) competing in NPS affiliated classes from that date. Microchip numbers must be submitted to the relevant Passport Issuing Organisation via the relevant registration forms. **It is also a legal requirement to inform the passport issuing studbook of any change of ownership or death of the registered pony within 30 days.**

Equine Influenza vaccinations are a compulsory minimum requirement for all horses/ponies competing in NPS affiliated classes. **Any horse/pony commencing a new primary course from 01/01/2024 must be vaccinated as follows:** the first 2 vaccinations 21 – 60 days apart, a third booster between 100-180 days, and an annual booster vaccination within 365 days thereafter. **Any horse/pony that received the primary course prior to 1/1/24 are permitted to have an interval of up to 92 days between the first and second vaccination of the primary course and an interval of between 150-215 days for the first booster.** No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old. This Rule may be subject to change following guidance from the FEI/BEF and any changes will be notified via the NPS website. The current FEI ruling is for a six monthly booster as opposed to annual; therefore it is recommended that you check with shows that fall under FEI regulation before entering e.g. Windsor, Hickstead, HOYS etc. It is also strongly advised that all animals are vaccinated against tetanus in accordance with manufacturer's instructions.

At shows where the schedule states that a class is 'To be judged under the rules of the NPS' the class will be judged according to the rules in this Rule Book.

Please be aware that in relation to Horse of the Year Show qualifying classes affiliated to the NPS, there are separate Horse of the Year Show rules which take precedence over the Rules in this book, and it is both the Judges and Exhibitors responsibility to make themselves aware by downloading a copy of the Horse of the Year Show Rules from www.hoys.co.uk

The General Rules in sections A, B, C and D apply to all classes run under NPS Rules as well as all qualifying rounds and finals of the NPS competitions defined in sections F – Q of the Rule Book. Rules covering Horse of the Year qualifiers will appear in a separate rule book available from Horse of the Year Show.

No Member or Non Member shall behave in an offensive, abusive or unpleasant manner to any person or any horse/pony at any show, event, venue or workplace associated with the NPS, whether in person, over the telephone, in writing or via social media. Members will be held responsible for the actions of any non-members who are Family Members or who are employed by them or who are assisting, supporting, representing or otherwise acting on their behalf and any action or conduct of such person which would be a breach of the Rules were they a Member shall constitute a breach of the Rules by the Member concerned. Family Members in this context will include any person who is in the reasonable opinion of the NPS a member of the Member's family in the widest sense.

No person shall ill-treat animals at any time whether misuse/excessive use of a whip, bit, spurs, or any item of saddlery or in any other way whatsoever.

It is the duty of every Member to assist the officers of the NPS in their investigations of breaches of the Rules and an unreasonable failure or refusal to do so will in itself constitute a breach of the Rules.

Application for membership of the NPS, and acceptance thereof, shall be deemed to constitute an agreement on the part of the member to abide by:

- The charitable objects of the NPS

- NPS general rules and procedures
- NPS Memorandum & Articles
- NPS complaints and disciplinary procedures

Any member, who acts to the detriment of NPS, brings the Society into disrepute or breaches NPS Rules, regulations or procedures shall be subject to the NPS Complaints and Disciplinary Procedures defined in section D.

Any Owner, Rider, Producer (Member or Non-Member) or Horse/Pony that is banned or suspended for any period of time as a result of any disciplinary action taken by any member body of The Showing Council, may not compete in NPS Affiliated classes, or apply for membership, at the discretion of the NPS Council. Any action taken by the NPS against any Owner, Rider, Producer or Horse/Pony may be shared with the other member bodies of The Showing Council. A full list of all Showing Council member bodies can be found at <http://theshowingcouncil.co.uk/member-bodies.asp>.

1.3 Proof of membership:

Proof of Membership will be determined by the NPS Secretariat.

Riders do not need to be members of the NPS except when riding at the final of the M&M Working Hunter Pony Championship (RIHS) at Hickstead. Both junior and adult riders must be full members of the NPS to ride in this final.

1.5 Qualifying rounds:

- a) Qualifying rounds for most NPS Showing competitions are open to ponies owned by NPS members and non-members but only ponies owned by adult NPS members (Qualifying or Life members) are eligible to qualify for the final of the competition. For ridden plaited classes, British Isles classes, Winter qualifiers and dressage the owner does not need to be a member to qualify but will need a Qualifying or Life membership to enter the final. For Ottergayle Hack and Riding Horse In Hand membership is not required for qualification or entry into the final.
- b) Criteria for specific competitions are included in the rules for the competitions (see sections E to P of this Rules Book). There are some significant exceptions which are highlighted here:

C. RULES FOR DRUGS TESTING

1. Warning to Members

- a) Members and other exhibitors are advised that any Drugs Testing conducted by the NPS at NPS Shows or NPS Affiliated Shows will be in accordance with these rules.
- b) In common with other similar bodies, the NPS takes a very serious view of doping, whether intentional or unintentional, having particular regard to the safety of children. Members should be aware that many proprietary feeds and preparations contain Prohibited Substances as do many foods such as chocolate. Prohibited Substances can be absorbed through the skin and they are also contained in some homeopathic and herbal remedies.

- b) Prohibited Substances are categorised as follows:

"Banned Substances" are substances that are deemed by the FEI to have no legitimate use in the competition horse/pony and/or have a high potential for abuse. They are not permitted for use in the competition horse/pony at any time.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

A. Complaints Policy

This section sets out the procedure for dealing with complaints made against the Society and/or its members. This document also sets out the procedure for dealing with any person who at any time conducts themselves in a manner which may be deemed to bring the name of the Society into disrepute.

A complaint against a staff member/s should be reported in the same way but will be dealt with under the Society's internal HR/employment related policies.

The Society and its members endeavour to work to the highest standards in every regard. The Society considers its members to be a valuable resource in achieving its aims and does not envisage that it will receive many complaints. However, the Society wants to ensure that in the event that a complaint is made against a member of the Society, there is a procedure in place which ensures that:

- (a) the complaint will be dealt with fairly; and
- (b) the procedure and potential outcomes are clear for all parties involved.

Dealing with issues under formal complaints and disciplinary procedures can be time-consuming and potentially expensive for all concerned. The Society hopes that the majority of complaints that are received can be resolved informally where possible, which may include by way of mediation. This particularly applies (but is not limited) to allegations of poor behaviour in and around the show ring.

If an informal resolution and/or mediation is not possible or deemed inappropriate, the matter will be dealt with formally under the following procedures.

Complaints relating to JMB height certificates should be made to the JMB.

B. Complaints Procedure

1. COMPLAINTS

- 1.1 If any member has a complaint against another member (including any Council member(s)) or a sub-committee, it should be submitted in writing by hand delivery, post or email, marked "private & confidential" and signed by the complainant. An electronic signature will suffice for complaints submitted by email.
- 1.2 Any complaints submitted by post should be sent by way of recorded delivery addressed to: National Pony Society, RASE, Sixth Street, Stoneleigh Park, Warwickshire, CV8 2LG. Proof of delivery should be retained by the complainant. Any complaints submitted by email should be sent to admin@nationalponysociety.com. A delivery receipt for emailed complaints or any hand deliveries should be obtained by the complainant.
- 1.3 Where a complaint is made against a member(s) within the NPS Office, then the complaint should be addressed to the Chairman of the NPS Council and marked "strictly confidential".
- 1.4 Where a complaint is made against the Chairman of the NPS Council, any subsequent references to powers of the Chairman in this Section D shall be vested in the Vice-Chairman to exercise, as appropriate, unless otherwise stated.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

- 1.5 A complaint must be accompanied by the complaint fee of £50. Failure to pay the fee will mean that the complaint will not be investigated under this Complaints Procedure. In respect of emailed complaints, the complaint will not formally be investigated until the appropriate fee is also received. In certain circumstances e.g. in matters of welfare, the fee may be waived but any such waiver shall remain at the sole discretion of the Chairman.
- 1.6 The complaint letter submitted under Rule 1.1 must contain full details of the circumstances giving rise to the complaint, including any alleged breaches of the Rule Book. The complainant may also submit supporting evidence by way of a statement, letter or email from an independent person(s) and/or any witness(es) in support of the facts and basis of the complaint.
- 1.7 Any such evidence provided in support of the complaint must be provided with the letter of complaint, unless there is good reason for not doing so.
- 1.8 The complaint, together with any supporting evidence and the complaint fee must be received within 28 days of the complainant becoming aware of the subject of the complaint. Any complaints (including any supporting evidence and the complaint fee) received outside of this timescale will only be investigated (or considered as part of the complaint, in the case of supporting evidence submitted late) at the sole discretion of the Chairman.
- 1.9 Administrative and/or technical support in handling any complaint pursuant to these Rules may be provided by Society staff, NPS Office and/or any members to assist the Society in the progression of any complaint.
- 1.10 In the event that:
 - 1.10.1 a party to a complaint believes that any person dealing with the complaint (including any Society staff, member(s), NPS Council member(s) or third parties) has or may have a direct or indirect conflict of interest with the subject matter of the complaint, or
 - 1.10.2 any person dealing with a complaint (including any Society staff, member(s), NPS Council member(s) or third parties) considers that they have or may have a direct or indirect conflict of interest with the subject matter of the complaint,they will report the same to the Chairman as soon as reasonably possible, who shall, at their sole discretion, determine whether that person should withdraw from dealing with the complaint, or any aspect thereof, and (where necessary) appoint a replacement. The Chairman shall have complete discretion to amend any timescales or deadlines under this Section D, which, as a result of any matters brought to their attention under this Rule, results in any delay to the same.
- 1.11 Without prejudice to the aforementioned, if any circumstances come to the attention of the Society, via any means, regarding the alleged conduct of a member, which may be deemed a breach of this Rule Book or otherwise bring the Society into disrepute, the member whose alleged conduct this relates to may be investigated in accordance with these procedures. In such circumstances, the Society (acting by a party nominated by the NPS Council but who shall not be the Chairman or Vice-Chairman) will be the complainant.
- 1.12 Without prejudice to any other Rules, if a court of law finds a member guilty of an offence relating to animal welfare, the member is obliged to inform the NPS Office and the Society shall be entitled to summarily take reciprocal action to that imposed by the court. For example, if the court issues a warning or reprimand, the Society may similarly warn or reprimand the member. The Society reserves the right to apply further sanctions as it deems appropriate, including any one or more of these set out in Rules 2.7.1 to 2.7.8 (inclusive) on a summary basis.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

- 1.13 In the case of a Court banning a member from keeping/owning animals for a period of time, the Society, acting by its Council, may summarily revoke the membership of the member found guilty and ban them from membership for the full period of the ban imposed by the court or longer, if deemed appropriate.
- 1.14 There is no right of appeal against a sanction applied to a member by the Society in circumstances where a welfare issue has determined by a court of law as set out in Rules 1.12 and 1.13 above.

What will happen next?

- 1.15 The Society will send a letter or email acknowledging the complaint, fee and supporting documentation where appropriate and, if necessary, may ask for further details.
- 1.16 Save where a complaint has been submitted directly to the Chairman in accordance with Rule 1.3, or where the complaint is against the Chairman, the NPS Office will forward details of the complaint to the Chairman. Where the complaint is made against the Chairman, the NPS Office will forward details of the complaint to the Vice Chairman.
- 1.17 At their sole discretion, the Chairman shall be entitled to take any appropriate steps deemed necessary to resolve the complaint, including (without limitation) any one or more of the following:
 - 1.17.1 Request further information from the parties to the complaint, at any point, in any number of requests. The parties to the complaint shall reply to any such requests within any reasonable time limits stipulated by the Chairman, failing which the Chairman may at his option progress the complaint under these provisions and/or exercise his summary powers under Rule 1.19.
 - 1.17.2 Dismiss the complaint if, in the sole discretion of the Chairman, the complaint is deemed (without limitation) trivial, frivolous, unwarranted and/or vexatious. The Chairman will write to the complainant and/or respondent setting out their reasons for the same. There is no right to appeal the same.
 - 1.17.3 For complaints deemed less serious, resolve the complaint through an informal process, such process to be determined at the sole discretion of the Chairman, including (without limitation) inviting the parties to the complaint to discuss their concerns by telephone, in writing or in a meeting (if appropriate), provided always the respondent(s) has been given the opportunity to respond to the complaint made against them. Any failure of the parties to adhere to any agreed outcomes following this process will entitle the Chairman at his option to progress the original complaint under these provisions and/or exercise his summary powers under Rule 1.19.
 - 1.17.4 Save where Rule 1.17.8 applies, refer the details of the complaint to the Chairman and/or Vice-Chairman of any relevant sub-committee, who may be better placed to deal with the complaint, with the complainant duly notified of the same.
 - 1.17.5 Invite the parties to the complaint to participate in mediation. The conduct of any mediation shall be determined at the sole discretion of the Chairman. If the matter is resolved by mediation, the complaint fee will be refunded. Any failure of the parties to adhere to any agreed outcomes following a mediation will entitle the Chairman at his option to progress the complaint under these provisions and/or exercise his summary powers under Rule 1.19.

- 1.17.6 Without prejudice to any other Rule, refer the complaint to the Council to be dealt with under Part 2.

- 1.17.8 In circumstances where the complaint relates to conduct of a sub-committee or pertains to a previous decision of a sub-committee, refer the matter to the Council under Part 2. to be considered as having prior dealings in the complaint and so are eligible to be appointed to the Disciplinary Panel.

- 3.15 Within 14 days of being appointed, the Disciplinary Panel will notify the parties that there will be a disciplinary hearing convened to determine the outcome of the complaint. Where appropriate, the following will be included:
- 3.15.1 A summary of relevant information gathered by the Investigating Officer(s) during the investigation, including their recommendations as to the outcome of the complaint and any sanctions to be applied;
 - 3.15.2 A copy of any relevant documents which will be used at the disciplinary hearing; and
 - 3.15.3 A copy of any relevant witness statements, except where a witness's identity is to be kept confidential, in which case the other party will be given either a redacted version of the statement or as much information as possible while maintaining confidentiality.
- 3.16 Within 14 days of receipt of the information at Rule 3.15, the parties must each inform the Disciplinary Panel in writing:
- 3.16.1 If they intend to contest the recommendations of the Investigating Officer(s) or any part thereof, including identifying which elements of the recommendations will be contested and the reasons why.
 - 3.16.2 If they and any witnesses wish to attend the hearing, together with their dates of unavailability in the forthcoming 2 months.
 - 3.16.3 Any request for the hearing to take place remotely via video conferencing facility and the reasons why.
 - 3.16.4 If appropriate, raise any issues under Rule 1.10 concerning the selection of the Disciplinary Panel. The Chairman shall also be notified by the party raising the objection of any issues raised in this regard, who will then make a determination pursuant to Rule 1.10, including appointing any replacement person(s) to the Disciplinary Panel.
- 3.17 If either or both of the parties fail to respond as directed under Rule 3.16, the Disciplinary Panel may continue with the disciplinary proceedings in a manner they see fit, including (but not limited to) listing the hearing or (if both parties fail to respond) determining the outcome of the complaint on the papers alone without proceeding to a hearing, having regard to the recommendations of the Investigating Officer(s). In such circumstances, the Disciplinary Panel shall write to the parties setting out its decision with reasons as soon as reasonably practicable. A written note of the Disciplinary Panel's deliberations should be made, setting out the reasons for the decisions made as soon as reasonably practicable.
- 3.18 Upon completion of the steps in Rule 3.16 and within a further 14 days thereafter, the Disciplinary Panel will provide the parties written notice of the date, time and place of the disciplinary hearing (including if it is to take place remotely). The hearing will be held as soon as reasonably practicable, but the parties will be given a reasonable amount of time to prepare their case based on the information given to them by the Disciplinary Panel.
- 3.19 The Investigating Officer(s) shall also be notified of the date, time and place of the disciplinary hearing at the same time as the parties under Rule 3.18. The Disciplinary Panel shall at the same time provide copies of the correspondence received from the parties under Rule 3.16 to the Investigating Officer(s) for their review.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

Disciplinary Hearing

- 3.20 The disciplinary hearing will be held before the Disciplinary Panel. The Disciplinary Panel will have complete discretion as to how the hearing will proceed, but as a general guide, in any sequence:
- 3.20.1 The Investigating Officer(s) will present their findings to the Disciplinary Panel, to include (if so advised) their responses to the written comments provided by the parties under Rule 3.16 and to call and examine any witnesses.
 - 3.20.2 The respondent shall be given the opportunity to present their position, including to call and examine any witnesses.
 - 3.20.3 The complainant shall be given the opportunity to present their position, if they choose and insofar as may be required (given that the Investigating Officer may have already done so under Rule 3.20.1), including to call and examine any witnesses.
 - 3.20.4 At their sole discretion, the Disciplinary Panel shall be entitled to intervene, query and comment on the matters brought to their attention throughout the hearing.
- 3.21 Further written witness statements may not be introduced at the disciplinary hearing and should be rejected as a matter of course by the Disciplinary Panel. Only in very exceptional circumstances, in the interests of fairness, should the Disciplinary Panel consent to further written witness statements being introduced at the disciplinary hearing.
- 3.22 The Disciplinary Panel may make a finding, whether at or following the disciplinary hearing, that the allegations are:
- 3.22.1 Proved, in whole or in part; or
 - 3.22.2 Unproved, in whole or in part.
- 3.23 The decision by the Disciplinary Panel and its reasons, together with any disciplinary penalty (if appropriate) and any cost awards under Rule 3.27, will be communicated to the parties within 14 days of the date of the disciplinary hearing.
- 3.24 A written note of the Disciplinary Hearing should be taken by the Society and made available as soon as reasonably practicable thereafter.

Disciplinary Penalties

- 3.25 If the Disciplinary Panel finds the conduct alleged to be proved, in whole or in part, it shall impose such of the following actions as seem appropriate given the circumstances of the case:
- 3.25.1 Uphold the complaint (or any part thereof) but take no action (only, for example and without limitation, if there are strong mitigating circumstances or some other good reason(s)).
 - 3.25.2 Give a reprimand or caution.
 - 3.25.3 Suspend membership on either a temporary or permanent basis.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

- 3.25.4 Suspend the Pony/Horse, Owner, Rider, Producer and/or Member or any other person participating in any Show(s) to which these Rules apply for any period of time, including for the avoidance of doubt, on a permanent basis.
- 3.25.5 Fine such person up to a maximum amount of £5,000. Any failure by the respondent to pay such a fine within the stipulated time limit (absence which the default is 28 days) may result in a suspension of their membership, either on a temporary or permanent basis, to be determined by the Council.
- 3.25.6 In the case of a complaint against a judge, they may be removed from the panel or panels or demoted to the B panel for any period of time, including permanently.
- 3.25.7 In the case of a complaint against an official, they may be prevented from officiating in any capacity at any Society affiliated show or event for any period of time, including permanently.
- 3.26 The parties shall be responsible for their own legal costs.
- 3.27 Should the complaint be upheld, whether in whole or part, the respondent shall also pay:
 - 3.27.1 Expenses incurred by the members of the Disciplinary Panel.
 - 3.27.2 The expenses relating to any hearing, including room hire.
 - 3.27.3 The administrative expenses of the Society (including Investigating Officer) limited to £500.

The amount of expenses to be paid shall be determined at the sole discretion of the Disciplinary Panel.

- 3.28 Any failure on the part of a member ordered to pay costs in accordance with Rule 3.27 within any stipulated timeframe (absence which the default is 14 days), may result in the Council suspending the membership of the member in question, including permanently.
- 3.29 Any decision of the Disciplinary Panel made pursuant to the powers conferred by these Rules may be published in any newspaper or periodical as the Council may direct, subject to any appeal pursued.

4. APPEAL

Criteria for appeals

- 4.1 An appeal may not be pursued because a member disagrees with the outcome of a complaint and merely wishes to retry the same issues. There must be some other good reason for pursuing an appeal. An appeal may only be submitted under this Part provided it satisfies the strict conditions under which an appeal may proceed, as follows:
 - 4.1.1 The original decision was incorrect because of a serious mistake in the interpretation of the Rules. Note that an interpretation of the Rules that is reasonable is not sufficient grounds for an appeal.
 - 4.1.2 There was a serious procedural error in the application of these Rules and that procedural error was central to the outcome of the complaint. Note that any procedural errors that

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

would not have impacted the outcome of the complaint is not sufficient grounds for an appeal.

4.1.3 The penalty imposed is excessive or unduly harsh. Note that the Council Panel and Disciplinary Panel have a wide discretion as to the penalties they may impose and therefore a disagreement as to the penalty in and of itself is not sufficient grounds for an appeal.

4.1.4 In respect of:

a. any findings of fact; and/or

b. a finding that there is insufficient evidence to support a complaint,

neither are generally capable of appeal unless it can be shown that there was a serious error in determining such findings and (in the case of Rule 4.1.4.a) that finding was central to the outcome of the complaint. Note that any finding made that is reasonable is not sufficient grounds for an appeal.

4.1.5 A decision exercised by the Chairman under Rule 1.17.2 (or by a sub-committee exercising the same power under Rule 1.18.2) is not capable of appeal.

4.2 In circumstances where:

4.2.1 Rule 1.4 applies, and an appeal is pursued against a decision of the Vice-Chairman (under Part 1), or

4.2.2 An appeal is pursued against a decision of the Chairman under Part 1,

the Council shall appoint a single independent Council member or a panel of 3 Council members to carry out the functions of the Chairman under this Part 4, provided they have had no prior involvement in dealing with the complaint.

Commencement of appeal

4.3 If a member (hereby the “Appellant”) wishes to submit an appeal under this Section D, then they must do so in writing by hand delivery, post or email, marked “private & confidential” and signed by the Appellant. An electronic signature will suffice for complaints submitted by email.

4.4 Appeals submitted by post should be sent by way of recorded delivery addressed to NPS Office, National Pony Society, RASE Centre, 6th Street, Stoneleigh Park, Warwickshire, CV8 2LG. Proof of delivery should be retained by the Appellant. Any complaints submitted by email should be sent to: admin@nationalponysociety.com. A delivery receipt for emailed complaints or any hand deliveries should be obtained by the Appellant.

4.5 The appeal must be accompanied by the appeal fee of £300. Failure to pay the appeal fee will mean that the appeal will not proceed until such time as it is paid, subject to Rule 4.6 below. In respect of emailed appeals, the appeal will not be valid until the appeal fee is also received. In certain circumstances e.g. in matters of welfare, the fee may be waived but any such waiver shall remain at the sole discretion of the Chairman.

4.6 The appeal submitted must contain detailed grounds of appeal, along with any additional evidence upon which it wishes to rely. The Appellant must also provide their dates of unavailability for the forthcoming 2 months, should an appeal hearing be deemed required.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

- 4.7 The appeal must be submitted by the Appellant and received by the Society within 14 days of the date of the written notification to the parties of the decision (with reasons) being appealed. In circumstances where the Appellant has requested but has not yet received the note of deliberations made under Rule 2.9 or the note of the disciplinary hearing under Rule 3.24, the appeal must still be submitted within the aforementioned deadline. However, the Appellant shall be entitled to amend or add to its grounds of appeal within 14 days of receipt of the aforementioned notes, provided they were requested within the time limit to submit an appeal. Any appeals (including the appeal fee) received outside of the time limit will not be allowed to proceed unless in exceptional circumstances at the sole discretion of the Chairman. Appeals validly submitted within the time limit shall have the effect of staying any sanctions or costs awarded against the Appellant.
- 4.8 Upon receipt of the grounds of appeal, the Chairman will make an early determination as to whether the grounds relied upon by the Appellant satisfy the requirements of Rule 4.1. If, at the sole discretion of the Chairman, they deem the requirements of Rule 4.1 are not met, the appeal will be summarily dismissed and the Appellant will be duly notified in writing. Note that by allowing the appeal to proceed beyond this stage, the Chairman in no way fetters the decision-making powers of the Appeal Committee to make its own determination under Rule 4.14 on the same issue.

Responses to grounds of appeal

- 4.9 Upon completion of the steps above, the Chairman will provide a copy of the grounds of appeal to the opposing party (“Appeal Respondent”), being the original complainant or original respondent, as the case may be. The Chairman will invite the Appeal Respondent to provide their written response to the grounds of appeal. The Appeal Respondent shall provide their full written response to the grounds of appeal, along with any additional evidence upon which it wishes to rely within 14 days of receipt of the Chairman’s communication. The Appeal Respondent shall also provide their dates of unavailability for the forthcoming 2 months, should an appeal hearing be deemed required.
- 4.10 The Chairman will provide a copy of the Appeal Respondent’s response to the Appellant. The Appellant shall have no right of reply.
- 4.11 In respect of appeals arising out of Part 3 (decisions of the Disciplinary Panel), upon completion of the steps above, the Chairman shall provide the grounds of appeal and the Appeal Respondent’s response together with any supporting documents relied upon, to the Investigating Officer(s) for their comments. The Investigating Officer(s) will provide their written response to the Chairman within 14 days together with their dates of unavailability for the forthcoming 2 months should a hearing be listed. Where the Investigating Officer(s) comprise more than a single person, the Investigating Officer(s) shall be entitled to nominate a single person to represent the Investigating Officers at the appeal hearing. As soon as possible thereafter, the Chairman will then provide the Investigation Officer(s)’s written response to the Appellant and the Appeal Respondent, who shall have no right of reply.

Appeal Committee & Bundle

- 4.12 Following the steps set out above, the Chairman will appoint an appeal committee (“Appeal Committee”) comprising three persons, who have had no prior involvement in the complaint, who may or may not be members of the Society and one of whom may be a solicitor or barrister.
- 4.13 Upon the Appeal Committee’s appointment, the Society will prepare a bundle of documents (“Appeal Bundle”) containing any documents deemed relevant for the purposes of disposing of

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

the appeal, to include (without limitation and as appropriate), the complaint, the respondent's reply, any further responses from the parties following any requests for further information, any written recommendations by the Investigating Officer(s), the written decision of the Chairman, Council or Disciplinary Panel (as the case may be) and the appeal documents prepared under this Part 4.

- 4.14 The Appeal Bundle will be provided to the Appeal Committee, who will then determine whether the appeal fits the criteria under Rule 4.1. If, in their sole discretion, they deem the requirements of Rule 4.1 are not met, the appeal will be summarily dismissed, with no right of further appeal, and the parties will be duly notified in writing. If the Appeal Committee determine that the appeal can proceed, the following provisions will apply.

Determination of the Appeal

- 4.15 Appeals may be dealt with on the papers or at an appeal hearing. Where an appeal is dealt with on the papers alone, the Appeal Committee will notify the parties of the same in writing and then convene as soon as reasonably practicable to determine the outcome of the appeal in accordance with Rule 4.18.
- 4.16 If the Appeal Committee determines that a hearing is required, the Appeal Committee will give the parties and (if appropriate) the Investigating Officer(s) written notice of the date, time and place of any appeal hearing.
- 4.17 If a hearing takes place, the Appeal Committee will have complete discretion as to how the hearing will proceed, but as a general guide, in any sequence:
- 4.17.1 The Appellant shall be given the opportunity to present their position on the appeal.
- 4.17.2 The Appeal Respondent shall be given the opportunity to present their position on the appeal.
- 4.17.3 If applicable, the Investigating Officer will present their position on the appeal.
- 4.17.4 At their sole discretion, the Appeal Committee shall be entitled to intervene, query and comment on the matters brought to their attention throughout the hearing.
- 4.18 The Appeal Committee will consider all the evidence and make its decision which may be to (without limitation):
- 4.18.1 Confirm the original decision, whether in full or in part, including in relation to any cost award made by the Disciplinary Panel;
- 4.18.2 Revoke the original decision, whether in full or in part, including in relation to any cost award made by the Disciplinary Panel; and/or
- 4.18.3 Substitute or impose a different penalty to that imposed.
- 4.19 The parties shall be responsible for their own legal costs.
- 4.20 Should the appeal be denied, whether in whole or part, the Appeal Committee may also require the unsuccessful party to the appeal to pay:
- 4.20.1 Expenses incurred by the members of the Appeal Committee.

D. COMPLAINTS AND DISCIPLINARY PROCEDURES

4.20.2 The expenses relating to any hearing, including room hire.

4.20.3 The administrative expenses of the Society (including Investigating Officer) limited to £500.

The amount of expenses to be paid shall be determined at the sole discretion of the Appeal Committee.

- 4.21 The Appeal Committee will inform the parties in writing of its final decision, with reasons, along with any disciplinary penalty if appropriate, within 14 days of the date of the appeal hearing. There will be no further right of appeal.
- 4.20 Any failure on the part of a member ordered to pay a fine under Rule 3.25 and any costs and expenses in accordance with Rule 4.20, within any stipulated timeframe (absence which the default is 28 days), may result in the Council suspending the membership of the member in question, including permanently.
- 4.20 Any decision of the Appeal Committee made pursuant to the powers conferred by these Rules may be published in any newspaper or periodical as the Council may direct.

5. JMB Objections

- 5.1 Any dispute or complaint in respect of a JMB Certificate must be referred to the JMB Stewards and will be dealt with in accordance with their Rules. If an objection is lodged against a height certificate or the NPS requests a re-measurement the pony must be re-measured within 21 days of the notification by the J.M.B. of the objection or request. Unless the pony is re-measured within this time its eligibility to compete in NPS affiliated classes will be withdrawn and the matter may be referred to the Disciplinary Committee and the membership of the owner, at the time of the request for a re-measurement will be suspended.
- 5.2 The NPS have the right to request a measurement on any pony registered on an Annual JMB Height Certificate whether or not it has been issued during the current year or on any Full Height Certificate. The pony must be measured at the owner's expense within 21 days of notification by the NPS
- 5.3 Unless the pony is measured within this time its eligibility to compete in NPS affiliated classes will be withdrawn and the matter may be referred to the Disciplinary Committee and the membership of the owner, at the time of the request for a measurement will be suspended.
- 5.4 An animal that received an objection to its JMB height certificate which is subsequently upheld will forfeit any previous qualification gained for Horse of the Year Show, Royal International Horse Show, NPS Championships Shows or NPS qualifiers in the current year and the qualification will be passed to the next eligible exhibit with the eligible placings.
